Part IV. Writing

"Harry Potter" by J.K. Rowling

Reading has become an important part of our lives. I want to write a short review of my favorite <sup>the book I've read in English.</sup> Well, I ~~love~~ <sup>enjoy</sup> reading books about magic and mysticism, that's why I started ~~to~~ <sup>to</sup> read ~~a~~ <sup>a</sup> book about boy who have non-~~standard~~ <sup>standard</sup> abilities in magic. I was inspired by watching the Harry Potter's movie and after ~~I read~~ <sup>I read</sup> ~~the~~ <sup>the</sup> book that I really loved. I've decided to read ~~this~~ <sup>this</sup> book in English, because <sup>in</sup> this way I can improve my ~~English skills~~ <sup>English skills</sup>, check my language proficiency and ~~supplement~~ <sup>supplement</sup> my vocabulary. I think that my school library should have this book. Harry Potter's <sup>is</sup> a very interesting and exciting story, for both children and teenagers. The book can take the reader into a fairy-tale world and distract from reality. That's all what I wanted to write on a short review of my favorite book I've read in English.

#### Part IV. Writing

"Poor Liza" by Karamzin.

Reading has become an important part of our lives. Now, I'm going to give a talk about my favourite book that I have read in English. It's "Poor Liza" by Karamzin. I really like this book because I like how author <sup>is</sup> expressing his feelings through the book. The first time I read it in Russian, but this book was so good that I decided to reread it in English. I think that reading in English helps you improve your knowledge of the language and communication skills. I think every school library <sup>in the world</sup> should have this book because it is a Russian classic. In conclusion, I am convinced that everyone should have reading ~~in a different~~ language as their hobby. Through <sup>Reading</sup> ~~English~~ you are improving your vocabulary. This <sup>will</sup> help you later in life.

#### Part IV. Writing

"The Little Prince" Antoine de Saint-Exupéry.

I want to say a few words about my favourite book in English. I have read a lot of books in English but the most interesting for me is "The Little Prince". I like this book because ~~the~~ plot of the work remained ~~in~~ my mind for the rest of my life. I wanted to read this book because I prefer to read books in the original.

This book tells about ~~a~~ boy living on an asteroid. This book teaches love and friendship, I think everyone should read it in the original. Another important reason why I read books in English <sup>is</sup> to improve ~~my~~ the level of the language and gain new knowledge. It is useful for vocabulary and skills. This book should be in the library because English is more interesting <sup>to read</sup>.

In conclusion, I am convinced that everyone should have reading in a different language as their hobby. Through ~~pr~~ reading you are improving your vocabulary. This will help you later in life.

Dear friend,

Thanks for your letter, It's great to hear that you are planning to go to music festival!

You asked me about how to prepare for the music festival.

I think that good idea will be to find tickets on official website or on qualified companies websites. They will show you best deals. Also, get some food for the festival, something simple and important.

If about clothes, try something light and simple. If something happen it won't be a big problem. So, I don't have my favourite music group, but I would like to find it.

Actually, What is your favourite <sup>music</sup> group? Why?

Sorry, ~~we need~~ **I have to** go now. See you!

Best wishes,

Alex

I think author is right because people who study are so tired after school and homework. They need to travel to be happy after so many lessons.

I think, Mark Twain is right.  
Because <sup>people</sup> ~~humans~~ are tired from the  
school and ~~the~~ university. In the travel  
people are relax, learn someone new, and  
become powerful. In the travel people  
are get new impressions.

I am agree. I think that Mark Twain is true. Those who study, know geography, many languages: Russian, English... That's why those who study need to travel.

You need study to travel easy and without problem. People who study, really need to travel.

Mark Twain said: "Those who study need to travel"  
I understand <sup>this</sup> sentence - you must study, but books ~~are~~  
aren't knowledge information. Need to travel - because you  
can't get information from your life. I think his words  
is right. Because for you information must be interesting.

Я согласна с высказыванием автора, потому, что я считаю это это  
верное утверждение. Человек который должен не только получать  
знания из разных источников информации, но и ещё видеть и позна-  
вать этот мир на яву. Нужно обязательно понимать кто и что тебе  
окружает. Красота этого мира окружает нас везде и всюду.
